

Telephone numbers to access CPP Investments' public meetings by phone

Telephone participants do not need to register but will not be able to submit live questions. Those users can submit questions in advance using the information on our [website](#).

For all meetings dial:

Canada: 1-647-484-1596

United States: 1-415-655-0003

After dialing one of the numbers above, you will be prompted to enter the access code below for your desired meeting and language preference. These numbers are for the live audio-only broadcast for each meeting and will only work for the duration of the meeting.
